演，并获得了JUNO的年度电音唱片提名。在2014年Azari宣布暂停活动之后，Fritz Helder，身为Nelly Furtado的长期编舞师，自然地签入她创立的厂牌NELSTAR，并在最近发行了他的处女作《A Force Of Nature》。正如名字所暗示的，Helder来势凶猛而野心勃勃。“这是我独唱艺人生涯的第一张努力结晶，我的天真和脆弱，都在其中展露无余。我放下了从前的幽灵，雕琢着属于我自己的空间，也有意识地向着大家期待之外的领域去冒险。” After CSS, HOT CHIP, BLOC PARTY's KELE OKEREKE, BONAPARTE & JUVENILES, DENGUE DENGUE DENGUE, LENA WILLIKENS, SHAO & the EC2 year anniversary celebrations with SOULCLAP in Beijing and the LOCAL SUICIDE / METRO TOKYO / JUNKS & ECTOPLAZM tour through Ningbo and Hangzhou we now are very proud to present you FRITZ HELDER and bring Hangzhou synthwave heroes JUNKS to your doorstep. As part of Azari & III, Fritz Helder shifted the landscape of house; pushing up against, and pushing past, genre boundaries, with love and irreverence. Tracks such as Hungry for the Power, Reckless (With Your Love) and Manic became chart topping hits in the UK and Germany, propelling the group into a new stratosphere amongst the electronic dance ethos. Azari & III's success culminated with the group dominating the European festival circuit, co-headlining a US tour with DIE ANTWOORD and a JUNO Award nomination for Electronic Album of the Year. After announcing their hiatus in Jan 2014, Helder, long term choreographer of NELLY FURTADO and previously signed to her label NELSTAR he worked on his appropriately titled debut "A Force of Nature". And as the name suggests, Helder is exactly that live: Ambitious and fierce. "This being my first solo endeavor, I feel like my naivety and vulnerability are on full display with this first collection of songs. I'm giving up the ghosts of my past and carving out a place of my own. I purposefully ventured away from what I thought people would expect from me." 晚9点 // 120元 (现场) / 80元 (预售 | 数量有限, 售完即止) Pm 9 // Rmb 120 (door) / 80 (presale | on a first-come-first-serve-basis) 在线购票 Tickets online: <https://event/ygys>, 2月25日 Saturday 星期六, 安子与九妹「万一有你」全国巡演北京站 ANZI & JIUMEI CHINA TOUR, 我们是谁? 高颜值网红组合? “伪摇滚”乐队? 无厘头相声团体? 综艺民谣? ..., 这些都是开玩笑的, 我们是同一所高校的研究生同学。校园时期一起弹琴唱歌, 毕业工作之后几经辗转不忘初心, 重拾音乐梦想。如果没有走上音乐这条路, 可能我们还在建筑设计院里熬夜对着电脑画图, 或是在出差的晚上凝视夜空思考着自己迷茫的未来....., 但是, 凭借对音乐的热爱, 九天揽月的胆量, 天马行空的想象力, 有困难要克服没有困难创作困难也要克服的执着与勇气, 我们正在实现着一个个的梦想。我们要做什么? 没有唱片公司包装, 没有商业团队的运营, 词曲编曲录音混音发行设计策划宣传全部自己包办, 作为独立音乐人, 我们想要做一些冒险而又有意义的事! 这个冬天, 我们要寻找一万名热心人, 一万个和我们一样怀揣着对生活憧憬并为之奋斗着的你, 去你的城市唱歌给你听, 分享我们的快乐和正能量, 希望可以用歌声感染和温暖到所有热爱生活的人们! 写在最后, 每个人的故事都是一样的, 每个人的故事又都不是一样的, 我们很高兴与你有着共同的回忆和青春, 大家一起经历了许多, 也期待着更多! 我们是安子与九妹, 希望唱歌给你听。 ANZI & JIUMEI National Tour - "One in Ten Thousands", Who are we? 。欧洲乃至世界的金属乐重地——德国，以其极强的民族意志与极优的历史地位创造出了独一无二的现代金属音乐历史。2017年将是首次两支别具代表性的德意志民谣金属劲旅造访中国。作为近年 NuclearBlast公司旗下炙手可热的维京/史诗金属头牌乐队，来自德国巴伐利亚州的EQUILIBRIUM以融合了民谣黑金属与史诗交响金属的独特曲风迅速复兴了曾经无比辉煌的北地维京王朝。同样来自德国的SUIDAKRA乐队则更有历史，他们早在1994年便成军于杜塞尔多夫，一共出版12张正式专辑，音乐曲风由典型欧式哥德堡之声旋律死亡金属配以凯尔特民谣旋律，从成立之初就颇具欧陆特色。SUIDAKRA最新专辑《Realms of Odoric》已经面世，他们将与EQUILIBRIUM一同踏上中国这片古老的土地，用无与伦比的现代金属音乐与乐迷共同探索这个历史悠久国度的史诗之魂。

EQUILIBRIUM: EQUILIBRIUM are back! Two years after their triumphal fourth album "Erdentempel" (which ranked 16th in German album charts), this epic metal outfit returns into spotlight with their new album "Armageddon". Guitarist, composer, keyboarder and lyricist René Berthiaume once more refined their style while working on the band's fifth album and added a seriousness that has not been heard by EQUILIBRIUM before - yet without changing the band's essence. EQUILIBRIUM's compositions are still characterized by intoxicating melodies and impressive bombast. But "Armageddon" is darker, more serious and it mirrors all the currently moving world affairs. Fans don't have to be worried, because EQUILIBRIUM's new symbiosis of darker songs and lyrics on the one hand and playful, catchy elements on the other hand succeeds on the highest level. The oppressive prevailing mood thus is loosened up again and again by absorbing, playful guitars and keyboards without forfeiting any power. Singer Robert "Robse" Dahn adds his extreme versatile voice and ideally complements the band's newly gained diversity with his vocal performance. In addition there are screaming vocals from guitarist Dom R. Crey as well as clean vocals from René. As on previous releases, genre borders are not playing any significant role on "Armageddon", thus one experiment or the other might be a surprise even for long-time fans. EQUILIBRIUM's fifth album is not only because of their new seriousness the band's most impressive work so far - "Armageddon" is rich in content and inspiringly entertaining! This time René himself took on the responsibility for the recordings, the mix and the production. Mastering was done by Maor Appelbaum at his mastering studio in Los Angeles. "Never chance a winning team" - this motto also applies to the extremely felicitous cover artwork which has been designed once more by Skadi Rosehurst. EQUILIBRIUM were founded as a sextet in 2001 and was actually only meant to last for one single show. But the metal audience's inspiring feedback prevented the Southern Germans to disappear in the annals of history, and thus EQUILIBRIUM wrote their first chapters for the textbooks of metal history with their first demo in 2003 and the debut album "Turis Fratyr" in 2005. In 2008, their first album on Nuclear Blast Records, "Sagas", and a great 30th rank in the German album charts followed, which was even exceeded by "Rekreatur" (rank 20) in 2010 and "Erdentempel" (rank 16) in 2014. "Armageddon" is ready to continue EQUILIBRIUM's story and to add anew, formidable chapter to the band's discography with its massive sound, its excellent songs and a wealth of different moods. Bready for an impressively thoughtful and enthralling album! SUIDAKRA : SuidAkrA is a Celtic Metal band from Germany founded in 1994. The name "SuidAkrA" is founder Akadius Antonik's first name written backwards. Their lyrical and musical concept deals with the Celtic mythology and stands in close collaboration with the Belgian artist Kris Verwimp, the creative head for the lyrical concept and artwork. After 22 years of band history and 11 studio albums, SuidAkrA has become a flagship in the German metal scene. In more than 500 shows, the band constantly played tours around the globe. They played numerous European tours, 5 North American tours as well as in South America, China and India. After a festival in the Indian metropolis,

Bangalore in 2012, Arkadius Antonik spent a week on the behalf of the German Goethe institute to support regional musical projects. With their 3rd Indian tour in 2014 SuidAkrA became the first Metal band ever that performed shows in 6 different cities in India. This was accompanied by a large public and media interest, such as the German station ZDF that broadcasted a Suidakra tour documentary in their show called "Aspekte". SuidAkrA is signed by the label AFM Records since 2011. The band will release their 12th studio album called "Realms Of Odoric" in May 2016. The album is based on an artwork / soundtrack project which was started by Kris Verwimp and Arkadius Antonik in May 2013.

SYMBIZ are infamous for their live show, from Venezuela to Zimbabwe, India to Palestine. They worked with such diverse artists like DJ Vadim, British Soundkiller Serocee (Mixpak) or Denyo of German Hip Hop Legends Beginner from Hamburg City. Bento thinks they are the No.1 alternative to Major Lazer. After their album "Airport Accent" the globally connected rave-commando-unit is returning with a special project: Bass-Music with Cantonese Lyrics. In the history and art of SYMBIZ a post-national utopia is manifested: Different cultures that not only co-exist naturally, but create an ever morphing new. Their roots are in Korea, China, Vietnam, Germany, their influences from Kingston, London, Accra and outer space. The result is unique and universally accessible at the same time. "Broken Chinese" is a perfect example for this approach. The lyrics are Cantonese, the party at which this music is playing is happening everywhere on Planet Rock. The EP framed by two breakneck high-speed monsters: Beats and fragments of words fly through "Faai Di" and "Zi Daan" like particles through a centrifuge. In between one finds SYMBIZ' own interpretation of a dystopian Dancehall, trippy Trap and artificial Afrobeats. The way Zhi MC is laying his chants on "Baak Sean Gaa Gan" over producer Buddysym's riddim is as outstanding as typical: Intoxicating, full of mystery and outrageously catchy at the same time. Imagine Justin Bieber were to play the secular Muezzin of love on a pan-asiatic revolution rave. Unimaginable, right. You have to hear it.
